Realtors Step Into Cal. Jobs

Three members of the Torrance-Lomita Board of Realtors were installed as state directors of the California Real Estate Association in San Jose this week.

New state delegates from this area are Rose Craig, of Rose Craig Realty, Geneva Meara of Shaw Real Estate and Lee Dawson of Alter Realty and Insurance Co. Attending the meeting from here also, was Gerald L. Alter.

The local delegation reported that final decision on increasing brokers' commission on real estate transactions from five to six per cent, will be decided shortly by the state executive committee.

The representatives said that several boards which had raised the commission rate had experienced no public protests, but even benefitted from increased business.

Spokesmen pointed out that if the CREA gives its blessings to the higher rate, most probate judges will approve it.

James B. Clayton, Jr. of San Jose as installed as president of the state organization, succeeding Clive Graham of Long Beach.
